Right of withdrawal – health protection exception

Under Section 29 (1) (e) of Government Decree 45/2014 (II.26.) implementing Directive 2011/83/EU Article 16(e), the right of withdrawal does not apply to sealed goods which are not suitable for return due to health protection or hygiene reasons and were unsealed after delivery. Our food supplement products fall into this category once their seal has been broken. Therefore, withdrawal is only available for unopened, sealed products in their original packaging together with the original invoice.
